

STRONGER MEN TAKE THE LEAD

They Have Nerves of Iron and
Real Red Fighting Blood

Vital force is the material from which leaders in all walks of life are made. It is well worth getting and holding.

The health and nerve of the athlete is what Nature intended every man and woman to have.

The blood of an athlete is pure and red, a strong heart pumps and drives it through his body. No wonder that every inch of his system is filled with energy and health. His nerves like iron, his blood like red, his life like a strong and true.

A leading Doctor says, "Everyone should feel this way. That if you are not red blooded, are nervous, all run down and on your last legs, for you build up your blood and nerves with exercise, fresh air, nourishing food and Nature's great prescription, Pile-O-Red Iron and Blood Pills."

He also says, "Pile-O-Red Iron and Blood Pills will build up the blood cells with iron and force, and that leading specialists are now using it successfully all over the country, that it is one of the few remedies that better class doctors can now depend on to produce results."

Specialists. To insure doctors and patients. Pile-O-Red Iron and Blood Pills. No dealers to call you.

Thousands of Children Have Worms

THEIR PARENTS DO NOT KNOW IT

Symptoms of worms in children are: De-ranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly, with occasional griping and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short, dry cough, grinding of the teeth, little red spots sticking out on tongue, starting during sleep, slow fever. Grow people are subject to worms also.

The one best remedy is Dr. Tru's Elixir. The Family Laxative and Worm Expeller. Also a pleasant, sure, safe laxative for children and grown folks. Mrs. Annette Lamarr, 29 State street, Sanford, Maine, wrote to Dr. Tru: "My daughter, Gertrude, had dizzy spells and could not even go out, for she always complained of being sick. She used your worm expeller (Dr. Tru's Elixir). She never had any fits since. I feel very grateful to you." Dr. Tru's Elixir can be used freely for both children and grown folks. Start taking it to-day—Adv.

WHY MARCH IS THE MOST DANGEROUS MONTH

that the sick "last only until spring."

At this time also grip and pneumonia endanger many lives. These serious diseases quickly develop from neglected colds and those who are weakened and run-down are easy victims. But if the system is given strength, if the impurities are driven from the blood and the nerve tissues fed with a wholesome and strength-giving food medicine, such as Father John's Medicine, there is no danger in the change of seasons.

Father John's Medicine is invaluable as a tonic in the spring. It strengthens the system and drives out the poisonous waste matter—builds up the body. It is this power that has made it so successful in treating colds and throat troubles.

The danger in using patent medicines is from the stimulants and dangerous drugs which many of them depend on for their temporary effect. Because it is free from alcohol, narcotic and dangerous drugs, Father John's Medicine has had 60 years of success as a tonic and body builder, and in the treatment of coughs and colds. Father John's Medicine is a doctor's prescription—pure and wholesome. Guaranteed—Adv.

March is the most dangerous month of the year because the changing seasons and sudden changes in weather conditions are more than a good many systems can stand. Too often it is true

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haasler Oil has been relieving the weakness and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haasler Oil is enclosed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haasler Oil Capsules will keep you in health and vigor and prevent a return of the disease.

Do not wait until old age or disease have settled down for good. At the first sign that your kidneys are not working properly, go to your druggist and get a box of GOLD MEDAL Haasler Oil Capsules.
